

# Asian/Pacific Islander Domestic Violence Resource Project (DVRP)

## 2015 Impact

DVRP's Outreach Team Engaged 750+ Community Members

The Survivor Services Team Served 224 Survivors  
35% Increase from FY2014

Increased online presence with digital media campaigns, blog entries, PSAs, and digital stories focused on survivor experiences

Received the DC City Council's Resolution to recognize Domestic Violence Awareness Month

Facilitated 30 trainings, including cultural competency, DV101, and a healthy relationships curriculum for A/PI students and young professionals

## 2015 Community Assessment

Survey of 251 A/PI DC Residents on Their Knowledge of Domestic Violence (DV)

- Over 40% felt DV is "extremely common" or "very common" in the A/PI community
- Over 30% knew someone in a DV situation

Extremely Common Very Common Somewhat Common Not At All Common
